- Our system will double check if an account has already been created. At this time you will be able to choose to “register” or have the system provide your current username by clicking “Please send me my username” (see highlighted)

ery.com/register.php

Please select one:

I am a current customer.

I would like to become a customer.

Company Name

Contact Name

Email That customer code/email combination is in use. **Please send me my username**

Phone with area code

Account # That customer code/email combination is in use. **Please send me my username**
This can be found under the T&L logo on your invoice. Leave blank if you do not know it.

I would like to receive weekly availability updates

If you forgot your password click here:

<http://tandlnursery.com/requestPassword.php>

FYI:

- You must be a current T&L customer to access pricing and our on-line ordering system. If you are not currently a customer, please request an account [here](#).
- Staff at T&L will no longer have access to passwords, a password reset will be needed every time a password is lost/forgotten.

Need further assistance?

Please call us at 425-885-5050
